Dear Ms. Kennedy:

Thank you for co-presenting the Nutrition Lowdown seminar at the Congressional Black Caucus Foundation's Black Health Empowerment Project (BHEP) on February 24, 2007. The segment was both informative and engaging for attendees as evidenced by the volume of questions posed to you and Mr. Asare. Your presence and insight were valuable additions to the Healthy Living Forum.

Throughout 2007, the Foundation will partner with Congressional Black Caucus Members and community organizations to present the obesity awareness program in six additional cities. We invite you to visit www.bheptour.org regularly to view documentation of our national health promotion tour.

Once again, please accept our sincerest gratitude for your support of the Brooklyn BHEP event. Vibrant photos of the day are enclosed. We enjoyed working with you again this year to encourage community members to "Eat, Move and Test for Health." We look forward to the possibility of working with you again in the future.

Sincerely,
