June McKenley  
Director, Power To End Stroke – NYC Metro  
American Heart Association / American Stroke Association  
122 East 42<sup>nd</sup> Street, 18<sup>th</sup> Floor  
New York, NY 10168

To Whom It May Concern:

It is my pleasure to write this reference for Dr. Terri Kennedy. She is a dynamic and knowledgeable speaker, and has been a committed ambassador for the American Heart Association/American Stroke Association since 2007. She received our National Power Awards in 2009 for her leadership in providing stroke prevention awareness.

In addition to serving on various committees, Dr. Kennedy has spoken at multiple events for the Association. She has been a keynote for our Search Your Heart Go Red events in New York and workshop presenter for our Power Weekend in Atlanta. She has served as event host for our Power NYC Health & Empowerment Symposium, facilitated our First Lady Retreats, and led a corporate Power To End Stroke workshop for one of our major sponsors, Macy's. I just attended two Go Red events this weekend where Dr. Kennedy spoke and she was spectacular. She very effectively weaves our key points around heart disease and stroke into her own Power Living empowerment messages. Participants always walk away with a mix of inspiration and practical tips – and there is usually a line to buy her books.

I enthusiastically recommend her for your speaking events. If you have any questions, I can be reached directly at 212-878-5968. Thank you.

Sincerely,

June McKenley
